

INTERNATIONAL

INVITED SESSION SUMMARY

Title of Session:

Green Mobility Integration

Name, Title and Affiliation of Chair:

Dr Sascha Stegen, Griffith University, Australia

Details of Session (including aim and scope):

Since E-Mobility is a state-of-the-art topic and the progress of any kind of electric vehicles is inevitable, this session is covering e-mobility of any kind including mobility infrastructure, use of alternative resources for mobility, and integration.

The scope of this session is related to the following topics:

- E-mobility energy storage systems
- Bio energy solutions as integration in the mobility sector
- Grid integration
- Charging systems
- On board systems
- Economic, environmental and market potential of green mobility
- International law and policy related topics in terms of green mobility
- Infrastructure impact

Authors are invited to submit original research and case studies on the latest developments and innovations in green mobility technologies.
